  - Postman

ACHIEVEMENTS

- Take off Programming Contest, Summer (2018) Organized by DIU
  15th position

CAREER OBJECTIVE

Seeking an entry-level web developer position with working opportunities where I can apply my attention to detail and the knowledge I learned. I want to utilize my tech and design skills for software program development, testing, and quality management.

EDUCATION

➢ B.Sc in Computer Science and Engineering
2018 – Present | CGPA – 3.66
Daffodil International University
➢ Higher Secondary School Certificate
Govt. MM College, Jessore
2015 – 2017 | GPA – 4.50

PROJECTS

- **BD Shop** - *https://github.com/Asif-686/BD_shop*
  Technology: Python, Django, DBsqlite,html,CSS
  It was an e-commerce app for online shopping purposes.
  Responsibilities: I developed the backend, handled Authentication and authorization, managed the database, rendered pages, and designed the frontend.

- **BookStore** -https://github.com/Asif-686/BookStore
  Technology: C#, Microsoft SQL Server, Dot Net core,Bootstrap
  A web application for buying or selling books. Both companies or individuals can use this for their purpose.
  Responsibilities: I have worked both in the front end and in the backend. I designed the front end with Bootstrap 5. I have also managed the database.

EXPERIENCES

- **Worked in Codemen solutions As an Intern**
  Responsibilities: Api Creating using CQRS & Mediator pattern in asp dot net core.
  Time period : 1st June ,2022 - 30 september,2022

- **DIU Computer and Programming Club**
  ACM Executive (ACM) & Trainer ● 2020
  Responsibilities: Arranged and managed training programs for programmers.
